

“Happenings” at Howells Public School Foundation

The Howells-Dodge Class of 2017 has graduated from high school and is busy making plans for the next chapter in their life. We, the Foundation Committee members of the Howells Public Schools Foundation, would like to congratulate the graduates and their parents at this special time. We wish all of you the very best of luck and want to thank you for representing our community in a positive way.

We would also like to recognize this year’s Foundation Scholarship Winners. Their hard work and dedication has been recognized by many and we want to thank them for applying for these scholarships.

THANK You to Troy Heard and the Class of 1976 for the additional scholarships. The HPS Foundation would like to encourage all Alumni to think about donating to the current scholarship fund, or perhaps setting up your individual family or class scholarship through the Foundation, which is a 501© nonprofit organization.

Three additional benches have been added near the South Entrance of the High School. These benches were purchased by the HPS Foundation through donations from the past graduating classes of Howells High. The “Class of 1976”, “Class of 1985”, and the “Class of 1996” all donated money for these benches in memory of their deceased class members.

The Foundation Committee is currently working on finding more ways to fund these scholarships and increase the value of each scholarship. This fall we will again be hosting a Tailgate Party at a Howells-Dodge football game. We hope you can join us!
