Jaguar

Jamboree

The season comes to an end

The Howells-Dodge Jaguars ended the boys basketball season with a 13-12 record. They had a very good year with many games that were battles down to the very end. The boys would like to thank Mr. Fischer for all he has done for them this season and the past seasons. The team appreciates all the time he has put into basketball, whether it was extra practice time, staying at school late to break down video, or not being able to spend time with his family.

Congratulations to the boys team on a fine season!

-Tonya Brester

GIRLS BASKETBALL SEASON COMES TO A CLOSE

The girls finished their season on February 15, 2018. The last game was definitely a fight. It was a close contest throughout the entire game. All the girls left everything they had on the court and played a great

game. The final score was 46 - 39, with Stanton winning the game. The Lady Jags ended their season with a record of 12-11.

It was a great season for a young team. All the younger athletes thank the seniors for everything they have done to lead the team. The Lady Jaguars wish the best to all the seniors.

-Grace Dvorak

The Jaguar Wrestlers finish a great year!

The Jaguar Wrestlers had an outstanding year.

The team finished at the top of many tournaments, and had three state qualifiers and two state placers: Dylan Horejsi, Junior, 4th place; and Miles Kulhanek, Senior, 2nd place. With only one senior, the Jaguars should be bringing back a solid team next year. Great job!

-Macey Kulhanek

Speech season is winding down

The Jaguar Speech Team has had a remarkable season. Family and friends came to watch performers on Monday, March 12th and sent them on to Districts the next day at Wayne. State will be held at Kearney on Friday, March 23. State performers were decided at Districts.

FFA activities are almost wrapped up

The Howells-Dodge FFA chapter has been working hard all year to compete in the state competitions. Just like any other school activity, the harder you work at it, the better you will do. At the District CDE Contest on February 27, the chapter had nearly the whole chapter qualify for state. So let's wish our FFA members good luck at State Convention, Howells-Dodge!

Revolution group speaks with HDC students

Revolution is a group sponsored by the Center For Survivors in Columbus that bases their message on dating violence prevention. On February 21, they came to HDC to talk to students in grades 7 - 12 about things that happen in dating relationships and what you can do when they happen. The group is made of up of teenagers from schools in the Columbus area. The Revolution group acted out a skit that showed students that dating violence is real and can happen to anyone. They told

students how to
in a relationship
help from an
students at HDC
presentation and
the group come back again.

handle violence
and how to seek
adult. The
enjoyed the
and hope to have

Current Events

Pampering the pooches

An animal shelter in Illinois is really stepping it up when it comes to kennel decorations. They have started putting old arm chairs and recliners, that have been donated, in their living spaces. The Knox County Humane Society No Kill Shelter in Galesburg went viral. Members of the public noticed the adoptable dogs luxuriating on old lounge chairs. The shelter said the idea was inspired by a pitbull who lived there and would jump into a chair at any chance. Ever since, they have been collecting old recliners for the rest of the dogs. The shelter says it helps the animals feel like they are in a home, it also helps them with stress. These are some lucky dogs!
