Mock trial team competes at districts

Mock trial is a competition in which you act out or imitate a court case. Mock trials simulate lower case trials. This years mock trial was about Blake Brando who shot his/her co producer of a stage play. The prosecution and defense both called 3 witnesses to the stand. For the defense it was Sawyer Neil, Blake Brando and Inigo Morton. Sawyer Neil was there to show that Louise herself could have had motive to kill Blake, but it didn't go as planned. The exchange of text messages between her and Louise are quite interesting in that Louise knew a larger investor was coming that night. Blake Brando was there to show that he didn't want to kill Louise. Inigo was there to show that Sawyer Neil was in the theater that night near the prop table which was also conveniently next to an exit.

For the prosecution, the witnesses were Officer Perkins, Quinn Dolan and Scout Ting. Officer Perkins was there to testify that Ms. Choanike died of a gunshot wound to the chest, Blake Brando fired that fatal shot, and that the witnesses immediately informed him/her of the killer. Quinn Dolan was there to show that Blake Brando had the necessary training and the means to kill Ms. Choanike. Scout Ting was there to provide the motive to kill Ms. Choanike.

Members of the Mock Trial team are: Emily Ritzdorf, Ryan Molacek, Carter Bracht, Hailey Coufal, Elisia Vogel, Anna Borman, Chelsea Bayer, Chloe Pieper, Bridget Praest, Oscar Hernandez, Rebecca Swanda, Holly Tomcak, Brittany Cech, Jose Smith, and Marten Terpstra.

Veterans Day...a day to remember

On Veterans Day, we remember those who served this country. We remember those members of the military both past and present. At the Veterans Day Program on Monday, November 14, students from Howells and Dodge had the opportunity to honor veterans. During the program, Steve Brune explained what some of the symbols on the military uniforms mean. They introduced all the veterans. One of the veterans was at D-day and he fought till the end in Berlin. He was part of a tank destroyer division. Another one of the veterans was on the USS Missouri where the official surrender of Japan was signed. A lot of the veterans have great stories to tell. Go and talk to them. They will love to talk to you about it and share their stories and it will brighten their day a bit. Also thank your veterans. A little thank you means a lot to them and it will let them know that you know they served and that you are grateful for it.
