HDC Wrestlers bring home wins

Since the beginning of January, HD has wrestled at Oakland-Craig, East Butler, at the Conference Tourney in West Point, and at Clearwater Public. We have a very dedicated wrestling team. Dylan Horejsi won 1st place, Carter Throener earned 2nd place, Carter Jensen placed 3rd., and Kyle Pickhinke and Wyatt Hegemann were 4th.

At the State Wrestling Tourney, Carter Throener earned the 2nd place medal and Dylan Horejsi was 4th. Congratulations!

Boys team is slamming the competition!

THE JAGUAR'S HAVE HAD A GREAT SEASON SO FAR! IN THESE PAST FEW WEEKS THEY COMPETED IN THE EAST HUSKER CONFERENCE TOURNAMENT. THEY BATTLED THEIR WAY ALL THE WAY UP TO THE SEMI-FINAL GAME, WHERE THEY FACED THE NORTH BEND TIGERS FOR THE TRIP TO THE CHAMPIONSHIP GAME. THEY CAME UP JUST SHORT OF A VICTORY AND WERE MATCHED UP WITH THE HUMPHREY-LINDSAY HOLY FAMILY BULLDOGS TO PLAY IN THE CONSOLATION ROUND. THE BOYS CAME OUT VICTORIOUS AND BROUGHT HOME THE 3RD PLACE TITLE. GOOD LUCK TO THE BOYS AS THEY COMPETE IN THEIR DISTRICT TOURNAMENT!!

Super Bowl LIII

In a game that many people were looking forward to, the 2019 Super Bowl ended up being a let down. In a defensive battle throughout the game, the only touchdown scored occurred in the 4th quarter. Jared Goff, leading a young Rams team, took the team down the field to get into a position to score. Later that drive he threw a game-ending interception to Patriots cornerback Stephon Gilmore. The Patriots won the game by a score of 13-3. This was the 6th Super Bowl that Bill Belichick and Tom Brady won together. That is the most Super Bowl victories by a coach and a player. Julian Edelman won MVP with his 10 catches and 141 yards.

Here are the facts on P2T

This year, our P2T (Pathways to tomorrow) program provides students with the opportunity to take classes in Health Science, Education, Computer Science, Building Construction, and Welding/CDL. Students are able to take classes for dual credit, meaning they could get college credit during high school toward the career of their choice. We currently have four students participating in this program. Students attend classes in Beemer; however, next year, classes will be held in a new facility in West Point by the Nielsen Center. There are nine different schools that participate in this program. P2T provides hands- on education in the various career pathways that will help student make decisions after high school. It also allows more class choices for students to take while in high school.
