Jaguars power through to Memorial Stadium

The Jaguar football team powered through another week of the football playoffs by beating Central Valley 50-12. The weather didn't want to cooperate on Friday night considering there was a temperature of around 25 degrees along with flurries and wind. Both teams made up their minds and decided that the cold wasn't going to bother them. The Jaguars started off strong by scoring within the first 3 minutes of the game. The Jaguars' offense was hard to stop from there. The Jaguar defense was fun to watch because they managed to make multiple tackles for loss and Aandy Dominguez was able to block a punt.

The Jaguars have been dominant throughout the playoffs knocking off Creighton, South Loup, Dundy County/Stratton, and now Central Valley. The Jaguar football team will now head to Lincoln to Memorial stadium on Monday, November 21st. The Jags will have their work cut out for them facing their undefeated opponent Hitchcock County. Kickoff for the D-1 Championship Game will be at 10:15 Monday morning November 21. Be sure to head down to Lincoln to support your local football team.

The One-Act season is in full swing

With two performances under their belt, the Howells-Dodge One-Act members have officially started their season! At their first conference performance, the One-Act team placed 2nd. Landon Dobbins won a medal for Best Actor. The team is very happy with the direction they're taking. Here is what a One-Act member had to say, "I think the season is going very well and we've been showing a lot of potential in the past two weeks".

Hopes are high and everyone is working hard to improve for districts. With an upcoming matinee, the team is excited to show everyone in the school their performance. The One-Act crew and cast are working diligently for a chance at impressing the judges who watch their performance. Everyone is rooting for the future of the One-Act play, "The Masked Musketeer".

Mock Trial Team competed at Districts

The Howells-Dodge Mock trial team traveled to Columbus to compete in Districts on November 12, 2022. They won against Columbus High and Scotus JV in round one. They then lost to the Scotus varsity team by four in round two.

Here is a little run down about this year's Mock Trial case. Dani Brichacek's father claims to have dementia. Dani says that Lee Sweet took advantage of his father by taking family heirlooms out of his house without the fathers' competent knowledge. Dani wants the items that have been taken out of the house including the diamond and painting worth over \$20,000. The neighbors, ex-drug offenders, dementia experts, and Dani, were all called to be witnesses.

The Mock Trial Team then traveled to Schuyler to perform one last time for County Government Day during the afternoon of Monday, November 14.
