# The junior class attended County Government Day

On Monday October 30, the Howells Dodge Juniors traveled to the Colfax County Courthouse in Schuyler to visit with the county officials who work there. Juniors and seniors from Schuyler, Clarkson, and Leigh joined the Howells-Dodge students at the event.

To begin the day, all of the students sat in the District Court Room in the courthouse and listened to different roles and stories. Then the students from all four schools were split up into four groups and went on a tour/scavenger hunt throughout the building. They met with different county officials who explained what their role is in the county. After the hunt and tour, the groups met back in the courtroom and got candy for all the correct answers they gave.

After they finished meeting with everyone, they went to the Eagle's Club and ate pizza, salad, and cupcakes provided by the Legion. They listened to a National Guard soldier speak. Then the day was over and the schools headed their separate ways.

## STUDENT COUNCIL PROMOTES RED RIBBON WEEK

On Monday, October 23rd through Thursday October 26th, Student Council members traveled to Dodge to teach each elementary class about how to lead healthy lives for Red Ribbon Week. They taught the kids about staying away from harmful substances. They also shared what activities they were in and how busy they are. To maintain these activities, these students must stay healthy and active. So the Student Council members took each class outside to play kickball or play on the playground. They also tried to set an example by playing nicely with each other and showing good sportsmanship. On Monday, Mrs. Bazata went to the Kindergarten and 3rd grade classes; Tuesday, 1st and 4th classes; Wednesday, Kindergarten and 3rd grade classes; and Thursday, the 2nd grade class.
